To whomsoever it may concern

We at bitsCrunch GMBH wanted to thank you for the partnership we have with Althaller Communications. It's been great to work with you.

Testimonial for Website :

“Althaller Communications is one of the best Public outreach companies in Munich, in fact in the whole of Germany. They are well connected to all the top tier media outlets & their communication with the client is great. And the way Jacqueline leads the team always with a smiling face, is something that I learnt from her over the past few months. For any brand that needs to establish its presence in the German media, I would recommend Althaller Communications.”
